

Let our members tell you why you should be part of the **Landscape Queensland Construction Excellence Awards.....**

Naturform has been a Landscape Queensland member since before 1986 when we won our first award. Since then we have continually supported the awards as we regard it as setting the benchmark for construction excellence in our industry and a great way to gauge how we measure up against others in the field. Over the years we have won many awards and as a business we take great pride in being able to advertise these achievements to our valued clients. Landscape Queensland continues to provide a valuable support network to its members and we are proud to be a part of this.

Living 4 Landscapes was thrilled to be a part of the 2020 LQ Construction Excellence Awards and it was wonderful that this annual event was able to continue through a very uncertain year due to the Pandemic. The livestream event was a fun and interactive evening. We were encouraged and appreciative for our business to thrive and grow in the high end domestic and also commercial sectors of the Landscape Industry which was recognised at this awards ceremony where we were excited to have three different projects as finalists and were thrilled to pick up two awards in the Residential 2 and Design & Construct 1 categories. This was great reward for our hard working team and also a delight for our fantastic clients and suppliers and no doubt will be an incentive for future clients to use our services. Bring on an even bigger 2021!

*- Brad Fisher, **Living 4 Landscapes***

Each and every year we look forward to the Landscape Queensland Construction Excellence Awards Gala Dinner. A chance to celebrate the year and recognise some fantastic landscaping projects. Landscape Queensland always put on a fantastic event with great food, plenty of laughs and a chance to meet with some of the industry's esteemed landscaping businesses and personnel.

In our 17 years of operation here in Queensland, Landscape Solutions have been fortunate enough to have featured and won numerous Landscape Queensland Awards in both construction and maintenance categories. We are always grateful for the recognition we receive on the night which is a testament to the hard work and dedication of our staff who have successfully delivered these projects.

*- Luke Scott, **Landscape Solutions (Qld)***
