

I am a Landscape Designer

On Census night
add **Landscape** to
your occupation

Don't let the Census guess your job!

Census Night:
Tuesday 11
August

[Find out more](#)

LANDSCAPE DESIGNER

Who are you?

Landscape Designers | Garden Designers |
Design Consultants | Design-Build
Practitioners.

What to write if:

You are self-employed. You run your own business.

- Write your occupation as: Landscape Designer or Landscape Design Contractor.
- *Don't write 'business owner' or 'director'.*
- For tasks: Describe what you design e.g. residential outdoor spaces. Prepare concept plans, construction drawings and planting plans. Consult with clients and oversee implementation etc.

WHY IT MATTERS

'Designer' alone (without a landscape context) may be coded to a creative industries classifications rather than the landscape industry. This can affect funding, training and recognition.

The Census will ask you 4 Employment Questions

1 Your Occupation

Landscape Designer

Be specific - include "Landscape"

If you don't, Census will guess your job and may classify you in the wrong industry meaning you won't be counted in the Landscape sector.

You might also be a: Landscape Garden Designer | Landscape Design Consultant | Landscape Designer (Design-Build) | Landscape Draftsperson

2 Your tasks?

What you do each day in your role.

"Design residential outdoor spaces. Prepare concept plans, construction drawings and planting plans. Consult with clients and oversee implementation."

"Design and build residential gardens. Develop design concepts, prepare plans and manage construction crews."

3 Your Industry?

Landscape Design Services

4 Your service?

Building and Landscape Designers and Technicians
