BEFORE YOU DIG

REFERRAL SERVICE

REFERRAL SERVICE

Before You Dig Australia is a FREE national referral service designed to assist in preventing damage and disruption to Australia's vast infrastructure networks which provide essential services we use every day and reduce damage to our Members' infrastructure assets and resulting loss and harm to the community. Don't put your life on the line, when planning any job, big or small always check the location of above ground powerlines to ensure you are able to work safely. You don't have to make contact with a powerline for it to be fatal. Electricity can jump if equipment or machinery gets too close to powerlines. [Find out more!](#)
