A Conversation With
JAMIE DURIE OAM

5 AUGUST 2026

Brisbane Convention & Exhibition Centre | From 5pm

TICKETS ON SALE

LIVE ON STAGE

LANDSCAPE DESIGN OUTDOOR LIVING SUSTAINABILITY

12:30PM – 2:30PM
ROOM 2

IRRIGATION WORKSHOP

WHEN WATER MEETS THE GROUND: UNDERSTANDING WHAT HAPPENS AFTER THE WATER LEAVES THE PIPE

Developed by Irrigation Australia, this hands-on workshop delivers practical insights to help landscape and horticulture professionals improve irrigation performance, boost plant health and maximise water efficiency. Explore real-world challenges such as runoff, dry spots and overspray, while learning smarter approaches to scheduling, pressure regulation, leak reduction and emerging technologies. Attendees will leave with valuable, field-ready knowledge to apply immediately, plus a Certificate of Attendance.

TICKETS
\$95

Available
LQ Accreditation & Certification Program

1:30 PM – 2:30PM
ROOM 1

WHEN WALLS FALL: ENGINEERING PRINCIPLES FOR SAFER RETAINING WALL CONSTRUCTION

Retaining walls are one of the most common structures in landscaping and one of the most frequently incorrectly built. Covering compliance, drainage, footings and loading errors, this session gives you the knowledge to avoid costly mistakes.

TICKETS
\$20

Available
