

Construction Connection 2021

Learn about the construction industry, current job vacancies, trades in high-demand and training pathways to upskill, re-skill or gain qualifications to work in the industry.

Everybody is welcome

Construction Skills Queensland in partnership with the **Department of Employment Small Business and Training** are connecting jobseekers to pathways and employment opportunities in the construction industry.

Join us at **Construction Connection 2021** to:

- meet industry employers and representatives
- link to available jobs
- learn about the variety of trades in construction
- find pathways to gain experience in construction
- find out about free and subsidised training options.
