Testimonials

HEAR WHAT SOME OF OUR PARTNERS & SPONSORS HAVE TO SAY...

"Centenary Landscaping Supplies has been proudly associated with Landscape Queensland for over 30 years. The annual Construction Excellence Awards is the highlight of the landscaping industry year and a wonderful celebratory event to attach our brand to. As a supplier, it is important to ensure the long-term growth of the industry and vital that our Queensland-based family business is seen to support that growth by aligning with the peak industry body helping us to build strong sales relationships.

- Terry O'Shea, Centenary Landscaping Supplies Director

HEAR WHAT SOME OF OUR PARTNERS & SPONSORS HAVE TO SAY...

"As an Awards Partner of Landscape Queensland, Globe Group Labour Hire is proud to support the industry's recognition of excellence. We highly value our trusted relationship with Landscape Queensland, which provides a platform for us to raise awareness of our messages and connect with industry professionals. Through this highly regarded program, we are delighted to support the hard work of contractors in our industry, and we look forward to continuing our partnership with Landscape Queensland."

- Mark Twist, Globe Group General Manager

"Aquascape Australia highly values our partnership with Landscape Queensland as suppliers of products and services in the landscaping industry. We appreciate their platform to promote sustainable pond building, training and water landscaping practices, and support to further our mission. Our partnership has also provided us with valuable industry messages and networking opportunities. We highly recommend Landscape Queensland to other like-minded businesses in the industry."

"Plantmark has enjoyed a fruitful collaboration with Landscape Queensland that spans many years. Our involvement as a sponsor of the Landscape Queensland Awards program has been an incredibly valuable experience for our business. Not only has it provided us with exposure to a wide range of potential clients in the landscaping industry, but it has also allowed us to showcase our products and services to a highly engaged and influential audience. In addition to the business benefits, we enjoy contributing to the industry in a meaningful way and supporting the recognition of excellence in our field."

- Jamie Eenjes, Plantmark State Manager

"CSQ has enjoyed a long-standing partnership with Landscape Queensland. We take great pride in being associated with an industry body that shares our values and our commitment to advancing and elevating the landscape construction industry in Queensland. By supporting the Industry Awards program, we are investing in the industry's future success. We are grateful for the opportunity to partner with Landscape Queensland and support the continued growth and development of the industry."

- Brett Schimming, CSQ CEO

"As one of Queensland's largest wholesale nurseries, Greenstock Nurseries values its longstanding relationship with Landscape Queensland. The services they provide to contractor members help to grow the industry as a whole which in turn needs suppliers to complete their projects. It's a win / win for suppliers to be associated with LQ and in particular, the annual Construction Excellence Awards which showcases our brand to the best of the best in the industry across the State."

- Ted Maguire, Greenstock Nurseries
